Utah State Square & Round Dance Festival

May 3 & 4, 2024

Caller: Mike Seastrom

I've been dancing since 1960 and calling since 1963. I taught my first class in 1963 after borrowing money from my folks to buy a small sound system. I've been calling ever since! I call and teach Basic through C-1, prompt contras, and also enjoy dance party events. I've called in the United States, Canada, Sweden, Denmark, Norway, Germany, Costa Rica, New Zealand, Australia, and Japan. I still feel "dancing as a team of eight" is the best recreation in the world. Thankfully, my wonderful wife Lisa, my family, and staff have been a tremendous support.

They have been square dancing since 1982, and round dancing together since 1992. When Mary and Bob decided to retire to St. George, Utah in 2007 they were dismayed to find no round dancing in the area, so they began cueing, teaching and choreographing round dancing for the folks in Southern Utah. They apprenticed under Gus and Lynn DeFore of Camarillo, California. Mary and Bob teach beginning, intermediate and advanced round dance. They have been featured cuers at festivals and special dances in Utah, Nevada, California, Oregon, Montana and Minnesota. Mary and Bob are members of Round-A-Lab.

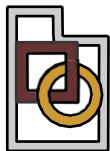

Cuer: Mary & Bob Townsend-Manning
