

SSDU JUBILEE 2025

Single Square Dancers of Utah

A Square & Round Dance, for Everyone -All Ages & Levels

Andy is a caller/teacher for 3 ½ weekly clubs in the San Diego area. Andy believes that his job is to facilitate the dancers enjoyment of each other. To Andy, a successful square dance is one where the positive energy is high, dancers dance smoothly & confidently, are challenged a bit, but most of all share a hearty laugh or two.

Mike and Tani started round and square dance lessons in September of 2015. They started cueing in 2019 and they teach round dance classes in Logan and Ogden. They are grateful for their excellent mentors LaMont & Laraine Harris, and Steve & Judy Storm. They're excited to share their love of round dancing with others.
